IMPORTANT!

THOMPSON, WILLIS & NEWGENT,

One of the leading clothing manufacturing firms in Boston, decide to permanently retire from business. Their stock largely bought by

C. E. LONGLEY & CO.,

Who will retail the same in this and other cities where they have stores, New Haven getting a large slice of the stock.

A Complete Revolution in the Prices for the Highest Grades of Men's and Boys' Clothing.

The following correspondence tells the story:

C. E. Longley & Co.,

New Haven, Conn.

Gentlemen:

Having decided to permanently retire from the Wholesale Clothing business, we hereby offer our entire stock for sale, amounting to about \$150,000.

The stock is in every way very desirable, consisting as it does of large and well assorted lots, and has all been manufactured this season.

The store which we occupy is in the very heart of the Retail centre, and is directly opposite the large Retail stores of A. Shuman & Co., Jordan, Marsh & Co., and C. F. Hovey & Co., and can be had by the purchaser of the stock, if desired, for the purpose of retailing the same.

Bids for this stock are requested on the following terms: \$10,000 to be paid upon acceptance of the bid, the balance of the purchase in three equal payments of thirty, sixty, and ninety days. The right is reserved to reject any and all bids.

Yours respectfully,

Thompson, Willis & Newgent

Upon the receipt of the above we opened negotiations for the purchase of the best part of their stock. The following dispatch shows the result:

TO C. E. LONGLEY & CO.:

IF YOUR OFFER OF YESTERDAY HOLDS GOOD TO-DAY WE WILL ACCEPT. CASH

TEN DAYS. WIRE REPLY.

(Signed)

BOSTON, 5-29, 1895.

THOMPSON, WILLIS & NEWGENT.

That our offer was a low one goes without saying, but it was accepted. We shall not, however, sell the stock in Boston, as they suggested could be done. We prefer to retail it at home and share with our customers the benefits which will accrue from this purchase. THOMPSON, WILLIS & NEWGENT have always stood high in the trade as manufacturers of the best grades of Men's, Boys' and Children's Clothing, and we purchased what we considered the cream of their stock. No better goods were ever sold over our counters than we shall offer when we begin the sale of this stock on Thursday morning. The prices paid average about one-half the cost to manufacture, and we shall retail it at a small advance over and above the cost to us.

NOTE: PRICES QUOTED BELOW:

In order to make this sale doubly interesting in our Boys' Department, we have made big cuts in the prices of much of our own stock in order to BRING it down, so to speak, on a level with the prices for Thompson, Willis & Newgent's stock. For instance, Boys' Suits, \$6.50 and \$7.50, that were \$10 and \$12, sizes 31 to 33.

Boys' Suits for \$5.00, 9 to 16 years, that were \$7.50, \$8.50 and \$10.

50 dozen Boys' and Children's Flannel, Cheviot and Percale Waists for 49c. that were 75c. and \$1.00.

Thursday morning the sale begins, and we unhesitatingly say that there's more in it for purchasers than any other stock that we ever sold.
